

BORGOLUCE

The Collaltos carry on a family legacy as owners and tenants of 3200 acres of land north of Venice given to their family over one thousand years ago. The signs of history, culture and nature co-exist with farming practices that fully respect what is a centuries-long tradition passed down by the Collalto family. 160 acres of farmland are given over to vineyards for the production of Borgoluce wines and sparkling wines. The Valdobbiadene D.O.C.G. region is home to the vineyards of Borgoluce's finest Prosecco.

GRAPES / SOILS

Glera		clay with high concentration of calcium carbonate

REVIEWS

Lampo Prosecco Treviso DOC Brut – NV

89 Points - Vinous, December, 2020

The NV Prosecco Treviso Lampo Brut displays ripe apple with hints of sage and white smoke. It's round and textural, balancing its sweet orchard fruits and inner florals with bright, mouthwatering acidity. This tapers off clean with a final thrust of refreshing minerality. 2020 – 2023

89 Points - Vinous, December, 2021

The NV Brut Prosecco Lampo is very pretty yet understated, with nuances of peach skins, gingery spice and dusty dried flowers. This fills the palate with a luxurious bead of fine bubbles, while balancing salty minerals against ripe orchard fruits. It tapers off with medium length and is nicely refreshing as a subtle twang of candied citrus lingers. The Lampo is very easy to like. 2021 – 2023
