REVIEWS

Chinon Tradition - 2018

88 Points - Wine Spectator, November, 2019

A light style, featuring firm, medium tannins that lend support to roasted plum and tobacco notes. Shows good vibrancy, with spicy mineral hints on the finish. Drink now through 2023.

90 Points - Wine Enthusiast, January, 2020

The intense smokiness of this wine is balanced by perfumed red fruits that come through the ripe tannins. Acidity and a light touch of structure allow the wine to keep freshness and accessibility for the short term. Drink the wine from 2020.
