Cabernet Sauvignon-Diamond Dust Vineyard-Alexander Valley – 2020

91 Points - Wine Enthusiast, November, 2022

This bold, full-bodied wine is packed with blackberry, black currant and black olive flavors on a good structure of moderate tannins. It offers generous flavors, good concentration and a velvety texture at a reasonable price.

TRIG POINT

“A “trig” has been used for many years to establish boundary lines. Trigonometrical stations were set on the top of hills and used as surveying sites. Just as my father was a land surveyor and used these trigs as a reference, so do I when it comes to well-known vineyard sites” **Nick**

Goldschmidt, Winemaker.

Trig Point is produced by Nick Goldschmidt and his wife Yolyn. After flying the globe for many years as the head-winemaker for the likes of Simi, Allied Domecq, and Beam Estates, Nick decided to start a family company with his wife Yolyn in 1998. The goal of the company was to focus on site specific wine making from great vineyard sites from around the world. Having produced so many world class wines from around the globe, Nick knew exactly from which vineyard sites he would choose to make his wines.

The wines Nick and Yolyn Goldschmidt produce are all single vineyard, handcrafted, small production, artisan
