---

### THE WINE

#### Harvest Notes

- Wine-making in underground concrete vats.
- Destemming of underripe stalks.
- The wine stays on the skins for over 4 weeks.
- Gentle extraction.
- Aging in old foudre for approximately 18 months.
- The wine is not filtered before bottling.
- Rigorous bud pruning.
- Green harvesting is done.
- The picking is entirely by hand, with a meticulous double sorting in the vineyard.

#### Technical Information

- 97% Grenache
  - 3% Others
  - Pure is handcrafted from a single plot of 100-year-old vines and sandy soil, at the junction of "Grand Pierre", "Rayas" and "Pointu" districts.
-
