- Vinification in cement tanks with wild yeasts.
- Fermentation over 28 days with Remontages, Delestages, and daily punching-down of the cap.
  - Aging took place in large 25hl Fontainebleau Forest French oak casks for 30 months.
  - The Wine was bottled without filtration.

### Technical Information

- 100% Nebbiolo
- Alcohol: 14.0% vol
- Total Acidity: 5.51 g/l
- Sugar: 0.3g/l
- pH: 3.7

## REVIEWS

### **Barolo DOCG Serralunga d'Alba – 2009**

#### **94 Points - Wine Spectator, November, 2013**

Floral,sandalwood,sage and pure red berry flavors highlight this muscular Barolo,with accents of tobacco and underbrush chiming in as the tannins exert themselves on the finish. Shows good length and potential, supported by fine density. Best from 2017 through 2032.-B.S.

#### **92 Points - Wine Enthusiast, September, 2013**

This Serralunga Barolo shows aromas of ripe—almost overripe—black-cherry, spice notes and a whiff of orange peel. The pal-ate delivers a core of juicy black cherry, white pepper, mint and menthol. While not overly complex, it's delicious and well-balanced, with supple tannins. Massanois Imports. —K.O.

#### **91 Points - Antonio Galloni - vinousmedia.com, October, 2013**

The 2009 Barolo del Comune di Serralunga d'Alba is unusually supple and gracious for a Serralunga Barolo, which gives it considerable appeal. Tobacco, wild flowers, herbs, mint and licorice add complexity over time, but the 2009 is a wine to drink and enjoy young, while the flavors remain buoyant. This is a terrific entry level offering.
