THE WINE

Winemaker's Notes

- Barossa Valley Shiraz- densely flavored, primary fruit driven, with generous use of American oak.
 - Rich, voluptuous Shiraz with layers of intense flavor.
 - The Protagonist employs some restraint which gives it a seam of elegance, belying the power of the fruit. It's what we believe the Barossa does best- power with elegance- a style of wine that has become synonymous with Australia and captivated so many around the world.
-
