JEAN-BAPTISTE ADAM

For more than 400 years, Jean-Baptiste Adam and his family have been grape growers and winemakers in Ammerschwih. Throughout the centuries the Adam family has farmed vineyards, made wine, sold wine locally and sold wine in foreign lands. They survived the Thirty Years War (1618-1648), the Valois and Bourbon dynasties, the French Revolution, the Napoleonic wars, annexation by Germany and back to France, WWI, WWII, famine and disease.

Jean-Batiste V joined the winery in 1982, at the age of 21, after finishing his studies of wine, enology, and marketing. In 1996, Jean-Baptiste took over full management of the property from his father, Jean-Marie. Soon after taking charge of the company, he modernized the winery and created a processing and storage facility for the production of Crémant. In 2003, he converted the vineyards to biodynamic agriculture wholeheartedly. Today, he is considered a leader of biodynamic farming practices in Alsace.

Riesling Wineck-Schlossberg Grand Cru – 2018

93 Points - Wine Enthusiast, November, 2020

On this wine's shy nose, hints of summer blossom and tropical overtones dissipate as quickly as they appear. The palate gives a lovely picture of freshness and verve, with a juicy, flowing body anchored in zesty lemon and orange that reside in a concentrated core of freshness. There is something cool and cooling about this wine. The finish is dry and zesty.
