Barbera d'Alba Carlot – 2020

91 Points - [jamessuckling.com](https://www.jamessuckling.com), August, 2022

A fresh and fruity red with sliced cherry and berry flavors and a hint of vanilla. Medium body, fine tannins and a delicious, fruity finish. Drink now

16.5 Points - [JancisRobinson.com](https://www.jancisrobinson.com), July, 2023

Full bottle 1,290 g.

Fresh, vivacious and really rather gorgeous cherry fruit, rose petals and sweet fresh oregano. The tannins are gentle and ripe and hold everything together with a light touch and an easy sway. Fluid, pure and delicious. 2023 – 2026

MARRONE

The origins of Agricola Marrone date back over a century and through four generations. The family is focused on cultivating local grape varieties with a passionate dedication to the land. When Pietro Marrone was born in 1887, his father Edoardo was already producing wines. In 1910, at 23 years old, he asked his father to plant some vineyards. In the early 1920s/30s the winery began cultivating vineyards using techniques that were revolutionary at the time: reducing production yields to prioritize higher quality and avoiding sowing wheat between vine rows, a standard practice at the time. This decision was an early adoption of what eventually became known as modern cultivation practices widely used in the region today.

In 1978 'Gianpi' took over full management of Marrone and began a phase of expansion in the vineyards and the cellar space. His wife Giovanna, affectionately known as "Mamma Gio," orchestrates private hospitality and is the kitchen director. For Giovanna, food is "tradition and Italian values that go hand with our wines."

Since 2011 the winery has been run by "Tre Fie," the three daughters of Gian Piero and Giovanna Marrone. Valentina is the winemaker, Serena runs
