MOMO

MOMO

Meaning 'offspring' in Maori, MOMO sprung from Seresin Estate in Marlborough. Now grown up with its own identity and personality, MOMO is youthful, urbane and well travelled, with an easy charm. Seriously stylish, MOMO loves good food and great conversation. Above all, MOMO is about enjoyment – the simple pleasure of good wine. MOMO selects organically grown grapes from a small number of growers and uses minimal winemaking intervention to present wines with honest varietal character and quality. All wines are Vegan friendly as well.

Winemaker's Notes

A truly classic Sauvignon Blanc from Marlborough, that is brimming with vibrancy and vitality. Dense notes of ripe passionfruit dominate on the nose, supported by tropical fruit, herbaceous notes and a lashing of citrus. A portion of malolactic fermentation adds a textural quality to the palate, with subtle notes of lemon blossom and passionfruit. The finish is refreshing, crisp and dry.
