THE WINE

Vineyard Profile

- A multi-district blend with fruit sourced from Darling, Durbanville, Paarl and Stellenbosch

Harvest Notes

- Juice handled reductively and left to settle for 3 days
- Racked and inoculated to ferment at low temperatures in stainless steel tanks
- Juice aged on lees for 3 months before blending and bottling
- Bottled October 2019

Winemaker's Notes

Pale straw-like color with attractive greenish hues. Bright tropical aromatics, with subtle citrus and overtones. The palate is elegant with delicately detailed sweet tropical fruits and a lively acidity, refined minerality, poised palate, and a long, flavorsome finish.
