REGION: CALIFORNIA - NAPA VALLEY

## SNOWDEN

Since 1955, the Snowdens have farmed their vineyard high above the Napa Valley. In addition to the stunning views of St. Helena, Rutherford and the San Francisco Bay, the estate offers four separate sites producing remarkably complex and individualistic wines. Winemaking duties are in the capable hands of Diana Snowden Seysses. The winery produces Bordeaux blends from their estate vineyards and a small amount of Sauvignon Blanc from a small parcel they call the Lost Vineyard.

## REVIEWS

### Cabernet Sauvignon Brothers Vineyard – 2014

#### 93 Points - © Wine Advocate, October, 2016

The 2014 Cabernet Sauvignon Brothers Vineyard is 89% Cabernet Sauvignon and 2% Petit Verdot. This is a beauty and clearly the star of the red wine portfolio. Dense purple, with loads of cassis, blackberry, licorice and graphite, the wine hits the palate with considerable authority, impressive purity and only a hint of new oak (only 45% new barriques were utilized). The finish was long, full-bodied and silky. This can be drunk now, or cellared for 20-25 years.

#### 95 Points - Vinous, December, 2016

Snowden's Cabernet Sauvignon The Brothers has all the balance and harmony that defines the wines here in this vintage. Vivid, nuanced and deeply expressive, the 2014 presents a beguiling interplay of expressive aromatics and rich fruit, with beams of supporting tannin that shape the wine. Hints of tobacco and savory herbs add to the wine's considerable personality.
