A TELLEIRA

D.O. Ribeiro, Spain

HISTORY

- Finca Reboreda, founded in 1940, is the largest private wine firm in D.O. Ribeiro
- credited with being the original locomotive for quality in the area
- one of the most progressive and stable wine firms in Galicia, helmed by José Luis Méndez and his daughter, Ana
- since 1996, The Méndez family has also owned the Albariño super-estate Morgadío

VINEYARDS

- A Telleira is a magic triangle formed by 3 plots
- all have different types of soil: boulder, clay and loamy sand
- in ancient times, the reddish soil of these three plots was used to make clay tiles that covered the roofs of the houses in the region.
- rising from the Miño River, the vineyards benefit from a very special microclimate, because the water moderates the temperature contrasts of D.O. Ribeiro.

WINEMAKING

- state-of-the-art, gravity-flow facility at the bottom of the vineyard amphitheater
