CAN FEIXES
Cataluña, Spain

HISTORY
- founded in 1768 by Don Jaime Feixes
- acquired from Feixes descendants by the Huguet family in the late-19th century
- unchanged in boundary since its original founding
- over 1,000 acres of mountainside terrain
- highest vineyard estate in the region located at over 1,400 feet

VINEYARDS
- situated on gravelly slopes
- the farthest Penedès vineyard from the Mediterranean, so temperatures are more Continental in its extremes. The drier climate helps to create healthy grapes.
- recognized as the region's Grand Cru
- sells the majority of its grapes and a large portion of the fermented wines
- only the best grapes are kept for production under the family label
- Parellada (Montonec), Macabeo, Chardonnay, Tempranillo, and Cabernet, Pinot Noir

WINEMAKING
- only free-run must from rigorously selected grapes is used
- averages 6,000 cases per year depending on vintage
- subterranean aging cellars with racks for manual riddling, bottle storage, and oak cooperage
- Wines are Certified Organic by USA & CCPAE - Consell Català de la Producció Agrària Ecològica, Spain.
